

PEL Vision

The vision of this study is to assist the Appalachian Regional Commission (ARC) in working toward the completion of Corridor N of the Appalachian Development Highway System (ADHS) through improvements to the section of US 219 between I-68 in Maryland to Meyersdale, Pennsylvania. The vision includes the desire to:

- Generate economic development in previously isolated areas, ^[1]
- Supplement the interstate system through connecting I-68 and the Pennsylvania Turnpike (I-76),
- Connect the study area portion of Appalachia to the interstate system,
- Provide access to areas within the region as well as to markets in the rest of the nation, and
- Improve (the level of) safety for motorists traveling on US 219.
